To All Walkers

31 October 2020.

Since 20 March 2020, the access to TS grounds has been closed to our Walkers due to the coronavirus D19 (Covid-19) pandemic. Given the highly contagious nature of the disease, we wanted to ensure the safety of TS (senior citizen) residents, TS essential workers, neighboring communities in Adyar, and the Walkers' community too.

We are now considering opening the TS grounds again for Walkers. However, **should the Covid-19 cases in Chennai spike again, or if there is a government advisory or notification in this regard, we will close the campus for walking until conditions improve.** We require that those desirous of renewing their passes adhere to the Covid-19 safety guidelines set out below and also to our long-held standards of behavior.

- Renewed Walker's Pass must be shown at gate; see renewal of the passes below
- Wearing face masks at all times is mandatory while walking on TS' grounds
- Walkers should maintain a distance of 6 feet between each other while walking
- Walkers may not congregate in groups (of 3 or more) on the walking paths or in the car parks for talking to / chatting with each other
- If Walkers desire to rest, there are a few benches provided; please avoid close contact while sitting on these benches
- Please try to keep usage of mobile phones to a minimum while walking
- If you usually feel thirsty during these walks, do remember to bring your own bottles and water; the RO drinking water facility at designated points may be used only for refilling the bottles, not for drinking from the taps directly
- Walking is permitted only along the roads and paths in TS indicated overleaf
- Walkers should also adhere to the walk timings; 5:30 to 7:00 am and 5:00 to 6:30 pm

WALKERS' PASS RENEWALS

Unlike earlier years, the Walkers' Passes will not be renewed in-person this year. Instead, the passes to be renewed will have to be dropped in a box kept at the security gates. The renewed passes can be collected 48 hours later. As a part of this process, Walkers will have to enter brief details in a register kept at the security gates. Entry into the TS grounds for walking will be allowed only after showing a renewed Walker's Pass to the security guard at the gates. Please refer to the timeline below for renewals as well as for walks resumption.

In case of any non-adherence, TS reserves the right to withdraw the Walker's Pass.

TIMINGS

Walkers' Passes will be renewed during **November 15 - 29, 2020 between 4 pm and 6 pm daily.** Walking on the campus will be allowed from **November 30, 2020.**

Please contact our General Manager's office (+91-44-24917198) or the Head of Security regarding any issues that you may face.
